Airport pick-up/taxi from international airport

Beijing Capital International Airport is located about 20km northeast of Beijing city centre.

Rouse is happy to arrange airport pick-ups.

Please contact us for further information.

Otherwise, taxi is the most convenient form of transportation. You should only ever take metered taxis.

There is a clearly marked taxi stand, which you will see when exiting the arrivals area.

As taxi drivers in Beijing do not generally speak English, you should show your driver the following address:

北京市朝阳区 光华东里8号院2号楼 中海广场1601室 邮编100020

The journey will take about an hour and cost about RMB80-RMB100 (approx. US\$8-\$14), plus an additional RMB10 toll gate charge that will not appear on the meter receipt.

Subway (underground) ③

The nearest underground station is Guomao subway station Yong An Li. Leave the station via exit C and on reaching the street make a U turn. Jianguomen Wei Avenue is the first street on the right (after about 500 metres). The NCI Tower is on the left hand side of the street, just past Twin Towers.

Driving

Our office is in Central Tower on the north side of Jianguomen Wei Avenue, beside China World Apartments.

From Tiananmen Square head east along Jianguomen Wai Avenue for about 6km.
