## Airport pick-up/taxi from international airport

Guangzhou Baiyun International Airport is located approximately 30 kilometers north from downtown Guangzhou.

Rouse is happy to arrange for airport pick-ups. Please contact us for further information.

Otherwise, taxi is the most convenient form of transportation. You should only ever take metered taxis.

There are two clearly marked taxi stands, which you will see when exiting the arrivals area – one is outside Exit 5 in Area A and the other is outside Exit 8 in Area B.

As taxi drivers in Guangzhou do not generally speak English, you should show your driver the following address:

天河路 208 号粤海天河城大厦 1101 (天河城东门旁)

The journey will take about 45 minutes and cost about RMB100 (approx. US\$14).

## Train

Take the train to Guangzhou East Railway Station and from there take a taxi. There is a clearly marked taxi stand, which you will see when exiting the station. As taxi drivers in Guangzhou do not generally speak English, you should show your driver the address above. The journey will take about 10 minutes and cost about RMB12 (approx. US\$1.50).

## Subway (underground)

The nearest station is Tiyuxi. Leave the station via Exit C and continue towards Teem Mall, taking the escalator to the first floor. Take the path beside Starbucks coffee shop. The entrance to Teem Tower is next to the China Construction Bank.

## APM Line

The nearest APM station is the Tianhe Sports Center South.
