Airport pick-up/taxi from international airport

Rouse is happy to arrange airport pick-ups. Please contact us for further information. Otherwise, taxi is the most convenient form of transportation. Taxis can be found just outside the exit area. As most taxi drivers in Manila understand English, it should be sufficient to provide the address above.

The journey will take about 45-60 minutes (depending on traffic) and cost about Php300 (approx US\$8.00) for metered taxi and Php700 (approx. US\$17.50) for airport taxis (the cost of an airport taxi will be quoted in advance).
